

Reception Home Learning - Tuesday 2nd June 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

We are going to learn to count up in 2's.

2 4 6 8 10, can you tell an adult what numbers are missing?

As you can see we miss out a number each time.

Listen to the 'The counting by twos song' by Scratch Garden and see if you can join in with it.

Ask an adult to mix up a few pairs of socks.

Can you match the socks?

Can you count in twos as you do it?

Socks are bought in pairs which means twos.

Can you think of any other things that are we have a pair of or comes in pairs?

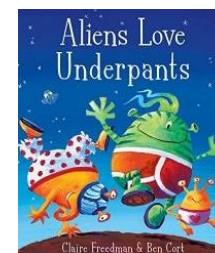

Literacy/Phonics

Remember to complete RWI.

Today, you are going to listen to one of our favourite stories, 'Aliens Love Underpants' written by Claire Freedman.

Imagine Aliens have been in your room and taken your underpants.

Can you write to the Aliens asking them to bring them back? Tell them the reason why you want or need your underpants back.

Expressive Art and Design

Think about what those pesky aliens might do with all those underpants.

Draw a picture of what you think they use all of those underpants for.

Physical Activity

In the story the aliens have Upside-Down-Pant Races.

Could you plan another sporting competition for them in your garden?
