

Reception Home Learning - Thursday 4th June 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

Listen to 'counting back from 20' song. You can choose the flossing monkey one!

Use some chalk to measure how tall you are on an outside wall. Ask your brothers, sisters, friends or parents to measure how tall they are too. Who is the tallest? Who is the shortest? Is anyone the same height as somebody else?

Expressive Art and Design

Design your own planet. Draw a picture of it and think about what shape and colours it might be.

What would you call it?

Use your phonics sounds to write the name of the planet.

Ask a grown-up to help you write some adjectives to describe your planet.

Literacy/Phonics

Remember to complete RWI.

Listen to the 'The Solar System song' by A J Jenkins. Choose your favourite planet.

Write down four facts about the planet you have chosen.

Roleplay

Pretend you've landed on your planet.

Plan a tea party on the moon for the aliens.

You could draw pictures of the food you want at the party or label some pretend objects.

Think about what kind of food an alien might like - star biscuits, rocket jelly or moon cheese balls.
