

Reception Home Learning - Friday 5th June 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

Listen to your favourite number song.

I have a challenge for you.

10 little aliens went flying one night until 6 flew away.

How many are left?

You could draw a picture or use your fingers to help you work out the answer!

Ask an adult to challenge you to give you another number sentence to complete.

Expressive Art and Design

In the story Beegu is a friendly creature from another planet.

Can you draw an Alien that lives on your made up planet?

Literacy

Remember to complete RWI.

Listen to the story of 'Beegu' written by Alexis Deacon.

Beegu is not supposed to be on Earth. She is a friendly creature. But people on Earth are not very kind to her.

Can you write a letter to the Earth people asking them to be kinder to Beegu? Think about what they can do, how can they do it?

Phonics

How many words can you think of that rhyme with 'space'?

See if you can write down 5.

Remember they have to be real words not alien ones!
