

Reception Home Learning - Tuesday 9th June 2020

PLEASE remember to join in with the RWI speed sound sessions every morning on the Ruth Miskin youtube channel and read your Read Write Inc books every day.

Mathematics

Listen to 'Zoom Zoom Zoom, we're going to the moon' by The Kiboomers - Kids Music Channel.

Can you make a paper aeroplane?

You can colour it and draw the boy from the story on it.

Throw it once and see how far it goes, measure it with your feet by counting your footsteps to it. Write it down.

Repeat it four more times and record it.

Expressive Art and Design

Look out of the window, can you find the moon in the sky?

What shape is it? Can you describe it?

Can you draw me a beautiful picture of the moon?

Literacy

Remember to complete RWI.

Listen to the story 'The Way Back Home' written by Oliver Jeffers.

Imagine that you found an aeroplane in your cupboard. What would you do? Where would you fly? Who would you take with you? What size would you plane be?

Write a few sentences or a story about your adventure.

Phonics

Can you think of five words that rhyme with the word 'Moon'?

Remember they have to be real words not alien.
