

Class B

Brain Builder Book

Friday 18th Sept to be handed in by Wednesday 23rd Sept 2020

Basics: reading and times tables – these must be done throughout the week.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- English: We are learning to write wishing stories in English and have listened to the story of 'King Midas and the Golden Touch.' Can you write the story in your own words? You could draw it in your Brain Builder book like a comic strip or make your own book using the one given to you.

- Topic: When Nellie Bly visited London, she would have seen Tower Bridge being built. Can you build a model of Tower Bridge using cardboard or lego or whatever you can find! Take a photograph of it or bring the model into school for the class to see.
- Maths: Find 1, 10, 100 more or less worksheets.
- News: Next week is Recycle Week. Design a poster encouraging people to recycle in the home.
