

Brain Builder Book

Friday 25th September 2020 to be handed in on Tuesday 29th September 2020

Basics: times tables, spellings and reading – these must be done throughout the week. Children will be tested/assessed on their spellings and times tables on Thursdays.

Then choose one of the following or you can do more than one if you like. If you want to do something different that still links to what we've been learning in school, then you can do that instead! The choice is yours.

Rules: no more than 2 pages of your book and it must be presented neatly.

1. News: 'London marathon invites children to take part in virtual race.'
Was the main headline on Newsround this week, would you take part?
How do you think you would do? Research the event and then create a poster advertising the event to other children.
2. Maths: Create a poster to help younger children use the greater than, less than and equal to symbol.
3. Literacy: Can you create 10 comprehension questions about your current reading book that another child in the class could answer?
4. Topic: For your topic homework this week I'd like you to research what life was like for German children and how it differed for them compared to British children.
