3. Daily reading.

### Homework activities:

2. Maths: Can you count the pets and write the correct number in the box?  
Challenge yourself to draw your own favourite animal and write down how many there are.
3. Science: We have been learning about our five senses. Can you name one and give me an example of it by drawing it or taking a picture?

Once again, you are reminded that children should complete 1 page in their Brain Builder book and this work should be high quality. You can choose which activities to do or you could do one of your own.
