

Class B

Brain Builder Book

Friday 11th Sept to be handed in by Wednesday 16th Sept 2020

Basics: reading and times tables – these must be done throughout the week.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- News: We are reading 'The Magic Finger' by Roald Dahl in class and Roald Dahl Day is being celebrated this Sunday! Can you find out 5 interesting facts about him? Make a list of some of his famous books. Which one are you going to read....?

- Maths: We have been learning about partitioning this week in Maths. Complete the worksheet.
- Topic: In 1889, the first stop on Nellie Bly's 'Around the World in 72 days' trip was London. What famous buildings or landmarks might she have seen during her short stay (just 4 hours)? Choose 3 or 4 and write some sentences about them with drawings and pictures.
