

## Class B

### Brain Builder Book

Friday 2<sup>nd</sup> October to be handed in by Wednesday 7<sup>th</sup> October 2020

Basics: reading and times tables – these must be done throughout the week.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- English: In Grammar, we have been learning about apostrophes for contractions. For example, can not → can't. Can you design a poster to explain how to use them?
- News: October 4<sup>th</sup> is World Animal Day which aims to improve the lives of animals across the world. Choose an animal that you are interested in and write a report about it. Try to include: what it looks like, where it lives, what it eats and any interesting facts about it. Is it endangered?
