

## Class B

### Brain Builder Book

**Friday 9th October to be handed in by Wednesday 14<sup>th</sup> October 2020**

Basics: reading, spelling and times tables – these must be done throughout the week.

**Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.**

**Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.**

- Maths: We have moved on to addition and subtraction in Maths. Complete the worksheet. Also, try to log on to Times Tables Rock Stars. (You have been given your login details with your homework this week.)
- English: The season of Autumn is upon us. Can you write a poem called 'Autumn is here'? Think about leaves, conkers, pumpkins, hibernating hedgehogs etc. Alternatively, research an Autumn poem that you like and write it out in your VERY neatest handwriting. Don't forget to decorate it too!

- News: A T-rex dinosaur skeleton called Stan has sold in New York this week for 30 million dollars (about £25 million pounds)! Can you write a fact file about these scary dinosaurs?
- News: October 14<sup>th</sup> is the anniversary of The Battle of Hastings which happened in 1066. Can you research and write about what happened at this very important battle? If you want, you could research Norman castles instead (motte and bailey or stone) or create a model of one. Record what you find out in your Brain Builder Book.
