

Class B

Brain Builder Book

Friday 16th October to be handed in by Wednesday 21st October 2020

Basics: reading, spelling and times tables – these must be done throughout the week.

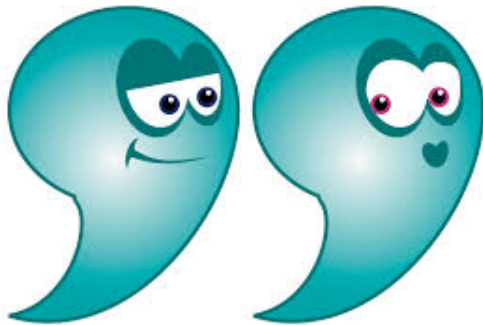

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- Maths: Complete the Halloween Mosaic worksheet. Also, try to log on to Times Tables Rock Stars. (You were given your login details with your homework last week.)

- English: Mrs Taylor has taught you how to use speech marks in class this week. Can you write a conversation between you and your parents trying to persuade them that you should be allowed to stay up late and watch TV? Remember: speech marks go around the actual words somebody speaks, you begin all new speech with a capital letter and all punctuation must be inside the speech marks. Don't forget to say who says what and how they say it.

- News: Australia's Great Barrier Reef has lost more than half of its corals since 1995 due to climate change warming the seas, a study has found. Can you find out about corals and why they are turning white? As an alternative, you could get creative and produce a piece of coral reef artwork.
