

Class B

Brain Builder Book

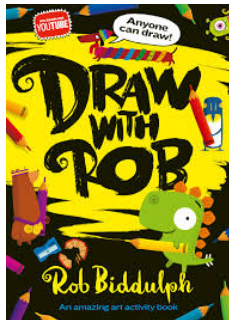

Thursday 22nd October to be handed in by Wednesday 4th November 2020

Basics: reading, spelling and times tables – these must be done throughout the week.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- English: Next week is Halloween! Can you write some instructions to make a magic potion? What will it do? What might the ingredients be? Spiders, eyeballs, frogs or bat wings?
- News: 'The Big Draw' festival is an annual worldwide celebration of drawing that takes place from 1st – 31st October 2020. Why not improve your drawing skills over the holiday? You could go on the 'Draw with Rob' website which many of you enjoyed during lockdown or you could google 'How to draw aunicorn/dirt bike/dinosaur' etc to get help.

- Topic: After leaving Italy, Nellie Bly visited the country of Egypt and travelled down the Suez Canal. On her journey, she would have seen camels. But why are camels so good at living in the desert in Egypt? Use the internet to research some fun camel facts and record them in your Brain Builder book.
- Maths: Complete the Addition practice worksheet. Also, try to log on to Times Tables Rock Stars over half term.
