

Class B

Brain Builder Book

Friday 6th November to be handed in by Wednesday 11th November 2020

Basics: reading, spelling and times tables – these must be done throughout the week.

Then choose from the list of activities below. Complete as many as you like. If you want to do something different that still links to what we have been learning in school, then you can do that instead! The choice is yours.

Rules: You should complete 2 pages (no more!) of your Brain Builder Book each week and your work should be well presented.

- English: We have been learning about homophones in class this week. Can you create a poster to teach someone else what a homophone is?
- English: We have also been learning to write a report on dragons in class this week. Imagine that one day you find this tiny dragon. Where is he from? Are there any more like him? How will you look after him? Will you keep him a secret? What magic can he do? Write a story about what happened.

- News: Remembrance Day is next week on Wednesday 11th November. The poppy is a symbol of Remembrance. Can you create a piece of Poppy art?
- Maths: Autumn Code Breaker worksheet.
