Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Art and Design

Can you design and make a nest/home for an owl?
Think about what you will need, use objects in your garden. Imagine you were an owl, what would you like your bed to be made from? Would you like it to be comfy? Soft? Warm?

Mathematics

Listen to a number song to 10.

Ask your grown-up to tell you a number.
Place this number of raisins or cereal pieces on your plate. If your grown-up says 'one more', can you add one more and count the number you have? If your grown-up says 'one less', can you eat one then count the number you have left?

Understanding the World

Go on a nature walk around your garden and use your senses.

What can you see? Different coloured leaves, sticks, conkers, stones.

What do you feel? the grass, mud, air, how does it feel?

What can you smell?

What can you hear?

Storytime

Read Aloud A Beautiful Bedtime Story.
