

Nursery Home Learning - Wednesday 25th November 2020

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Expressive Art and Design

Can you ask an adult to draw you the outline of a squirrel or you could have a go? Then use your hand prints to make his bushy tail.

Mathematics

Watch Numberblocks S2 E7 (Ten Green Bottles). Encourage discussion afterwards. What did you notice? What was it about?

Find 10 objects and then sing the song again, removing 1 each time as a bottle falls off the wall. Model the language of 'One Less' each time.

Ask an adult to write numbers 1-5.

Now can you try and write numbers 1-5? You can use colourful pens.

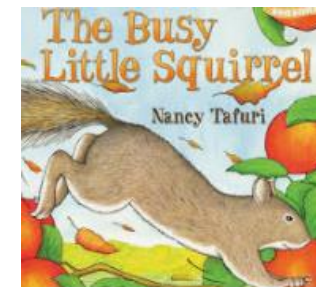

Music

Listen to some mindfulness music, get your favourite teddy for tummy time.

Breathe in and out slowly, watching your tummies and your teddy rise up and down

Storytime

Listen and watch the story of 'The Busy Little Squirrel' written by Nancy Tafuri.

Tell an adult why the squirrel was so busy.
