

Reception Home Learning - Wednesday 18th November 2020

PLEASE remember to join in with the RWI speed sound lesson which will be sent through DOJO.

Mathematics

Listen to a number song to 20.

Watch Numberblocks S2 E6 (Just Add One).

Introduce the language of 'One More'.

Show the chn stones, play bricks, seeds, buttons etc.

This is number 1. What would it become if I added one more? Model to 9 or 19 if your child understands, showing that each number is just one more than the last.

Art and Design

Can you create an owl leaves, baking bun cases and different coloured paper?

First cut out a circle.

Then stick on two round eyes (bun cases or paper), draw two black spots inside.

Finally, stick on a leaf on each side as the wings.

Literacy

Listen and watch **Who Knew? Amazing Owl Facts!**

Phonics/Writing

Remember to complete the RWI lesson sent through Dojo. There is a speed sound lesson, word reading and spelling.

An additional task is to write a sentence. This is to be completed independently if they can.

Can you write one fact about an owl? An owl has...

Think about your sentence, write it down slowly and then check it makes sense.
