

Reception Home Learning - Wednesday 25th November 2020

PLEASE remember to join in with the RWI speed sound lesson which will be sent through DOJO.

Mathematics

Watch Numberblocks S2 E7 (Ten Green Bottles). Encourage discussion afterwards. *What did you notice? What was it about?*

Find 10 objects and then sing the song again, removing 1 each time as a bottle falls off the wall.

Model the language of 'One Less' each time.

Mindfulness

Listen to some mindfulness music, get your favourite teddy for tummy time.

Breathe in and out slowly, watching your tummies and your teddy rise up and down.

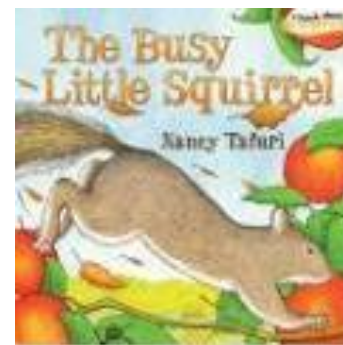

Expressive Art and Design

Can you ask an adult to draw you the outline of a squirrel or you could have a go? Then use your hand prints to make his bushy tail.

Literacy

Listen and watch the story of 'The Busy Little Squirrel' written by Nancy Tafuri.

Phonics/Writing

Remember to complete the RWI lesson sent through Dojo. There is a speed sound lesson, word reading and spelling.

An additional task is to write a sentence. This is to be completed independently if they can.

Can you write a sentence about the squirrel from the story?

Think about your sentence, write it down slowly and then check it makes sense.
