

# Reception Home Learning - Wednesday 6<sup>th</sup> January 2021

PLEASE remember to join in with the RWI speed sound lesson which will be sent through DOJO.

## Mathematics

Can you make a visual timetable of what you do whilst you are at home?

For eg. First, I get up. Next, I have my breakfast. Then I join in with my phonics lesson. Later on I have my lunch. Order the events and talk about what you are doing *now*, *next* and *later*.

## Roleplay

Can you act out the story? Grab your favourite toy and pretend you are on a boat and taking them back home. What would you talk about? Where would you take them? What would the weather be like when you got there? Which clothes would you take?

## Expressive Art and Design

Can you draw or create your own Penguin from the story?

## Literacy

Listen and watch the story 'Lost and Found' written by Oliver Jeffers.

## Phonics/Writing

Remember to complete the RWI lesson sent through Dojo. There is a speed sound lesson, word reading and spelling. An additional task is to write a sentence. This is to be completed independently, encourage your child to write it the way they think it sounds ☺ without your help. Can you write one sentence about the Penguin? Think about your sentence, write it down slowly word by word and then check it makes sense ☺.

For example: The penguin is black and white.

Challenge yourself to write two.
