

Nursery Home Learning - Friday 15th January 2021

Please choose one task or do all three. Remember you can listen to story time on Ruth Miskin youtube channel.

Expressive Art and Design/Phonics

Play an animal themed guessing game.

Can you make some sound effects for different animal noises and encourage someone to guess what animal sound you are making?

You could 'meow' like a cat, 'woof' like a dog, 'moo' like a cow.

Then can you draw a picture of your favourite animal?

Maths

In a shallow tray or plate of flour or sand, use your finger to write numbers 0, 1, 2, 3, 4, 5.

To help you, there is a little rhyme for each number.
