

Reception Home Learning - Monday 11th January 2021

PLEASE remember to join in with the RWI speed sound lesson which will be sent through DOJO.

Mathematics

Listen to your favourite number song.

Place number cards 1-10 *in the wrong order*. Ask your child if they are correct and encourage them to help you to put them in the right order.

Encourage discussion: *Why is one first? How do you know?*

Encourage use of language like *one more/one less/fewer* to explain reasoning.

Physical Activity

Go on a sensory winter walk with an adult.

What did you see?

What did you smell

What did you hear?

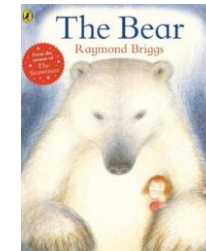

Draw a picture to match each question.

Storytime

This week we are going to continue with our winter theme and look at another animal who likes the cold weather...a bear.

Watch the film The Bear by Raymond Briggs.

[The Bear - All 4 \(channel4.com\)](http://channel4.com)

Literacy

Write 2 sentences about The Bear from the story.

What does he look like? How does he feel?

Remember to think about the sentence first then write it down.

Keep checking each word to make sure your sentence makes sense.

Mindfulness

Google our favourite physical activity 'Cosmic Yoga'.
