

Reception Home Learning - Wednesday 13th January 2021

PLEASE remember to join in with the RWI speed sound lesson which will be sent through DOJO.

Mathematics

Listen to 'ten little numbers' number song.
We are going to learn about one more and one less.

Find ten objects, bricks, crayons, stones, raisins. Ask an adult to call out a number between 0-10, can you show them one more than the given number, as quickly as possible.

Repeat for one less:

Find ten objects, bricks, crayons, stones, raisins. Ask an adult to call out a number between 1-10, can you show them one less than the given number, as quickly as possible.

Expressive Art and Design

Can you create a polar bear painting using a fork or a polar bear using newspaper?

Literacy

Listen and watch the story 'Over in the Arctic' written by Marianne Berkes.

<https://youtu.be/xJUEbBqP3BO>

You will find out about creatures which live in a very cold habitat called The Arctic.

Writing

Can you write a sentence about your favourite creature from the story?

Remember to think about the sentence first then write it down. Keep checking each word to make sure your sentence makes sense.

Physical Activity

Let's get moving...

<https://youtu.be/Oebf3dGGdFg>
